WATER SUPPLY THROUGH TANKERS ON PAYMENT / DIAL FOR WATER

Metro Water is supplying water to the consumers through lorries of 9000 liters and 6000 liters capacity for domestic and commercial purpose. The rates are as follows:

Tanker capacity	Domestic	Commercial
9000 liters	700/-	1000/-
6000 liters	475/-	700/-

The amount should be paid in the form of Demand Draft in favour of CMWSSB to the concerned Area office or Depot office, on cash payment by challan at Area Office one week in advance to the date of supply needed. The distance of sump inside the house from the road may be indicated in letter along with Demand draft to arrange for hose with lorry.

Dial for water: Public can contact the concerned Filling point over phone and inform the name and address to where water supply through tanker is required. Payment can be made on receipt of water.
